

## **WEEK 5 REPORT**

(\_\_\_/1pt) The next milestone and the target date

- Milestone 3 (02/26 - 03/08): Wordle Algorithm Implementation.

(\_\_\_/2pt) action items or the milestone that were completed since the previous meetup

- Authentication
- Login
- List the blockers/reasons if the milestone was missed.
  - None
- Explain your progress.
  - Functionality is done. Still need to do the styling for the home page.
- Show the activity/progress in GitHub repository since last week
  - Will push to GitHub once the styling is finalized and completed.
